

Degree Requirements - Biology, BS (General, CMB, and EEB)

Intended to illustrate basic prerequisites. Refer to the [Undergraduate Catalog](#) for complete course details and all degree requirements. Use [Degree Tracker](#) to help plan future semesters. [Accurately track your progress](#) using the [Academic Requirements](#) report. Your advisor can always help – but you must monitor your own progress. [Online Checksheets](#) provides a list of courses required for each emphasis area.

*Math 108 or adequate placement test scores required. Ask your advisor.
